“ Agnes, Joe, Diane and Tony I am so very sorry for your loss. When I think of Tony I remember he brought laughter into a room, always making you feel welcome. I know many people will be very serious when one shares their memories, but Agnes you know me and I just need to share this. While visiting one night he made me a few drinks!!!! I will never forget!!! Harvey Wallbangers never had them in my life until then. needless to say I couldn't stand up. That was Tony, and we all had laughs over that one. I Love you all and you will be in my thoughts and prayers. And Tony Rest In Peace and Fly with the Angels. Love Aunt Penny
