

Anthony "Bud" La Marca

February 6, 1934 - January 26, 2021

Anthony "Bud" La Marca, 86

Anthony "Bud" La Marca, a resident of Heritage Plantation in Pawleys Island, SC died January 26, 2021.

Bud was born on February 6, 1934 in Staten Island, NY to Anthony and Carrie La Marca. He

was selected to attend the prestigious High School of the Performing Arts in New York City as a

talented young trumpet player. Following graduation and while also serving in the National

Guard, Bud was the leader of a successful big band, Buddy Lamarr and his Orchestra, and it

was during one of his "gigs" in New York City where he met his loving wife of 65 years, Barbara.

Bud then began a near 50 year career as a banker, during which time one of his many

accomplishments was chairing a committee of international bankers who were charged with

developing an efficient system to move money around the globe. The result of his committee

was the establishment of the system that is still used today by financial institutions to transfer

funds across the globe.

Bud was also very involved in the township business of his former home residence of Kinnelon, NJ, where he served as councilman for 20 years as well as a member of the Board of Trustees of the Kinnelon Public Library, where a children's library was named in his honor.

Bud was an avid golfer, enjoyed woodworking and spending time in his yard and treasured the time he spent with his family, especially his 8 grandchildren and 2 great grandchildren.

Bud is credited with coining the now popular phrase “your ass” and was solely responsible for 50% of the Aversa purchases in North America.

Bud is survived by his wife Barbara; his sons Kevin (Sabine), Robert (Jill), Anthony and Darren (Alicia); grandchildren Christopher, Michael (Jessica), Nicole (Josh), Andrew (Melissa), Stephen (Nora), Brian (Jessica), Melissa (Nick), Michelle (Madison); and great grandchildren Dominic, and Jack.

He was predeceased by his mother and father as well his brother Donald and great grandson Joseph.

Memorial services will be held at future dates at the Heritage Plantation clubhouse and Gate of Heaven Cemetery & Mausoleum, East Hanover NJ. The family wishes that in lieu of flowers, donations may be made to St Jude Children’s Research Hospital.

“ *Bud was a dear adopted father in my early banking years. He was mentor and taught me how to do things the right way. We shared a lot of laughs and he always told me “to get my head out of my ass”. Glad my wife Rosemary and I got to visit him and his lovely wife Barbara in South Carolina last year. We shared lunch and a drink in his home. I am glad that my son had the honor of finally meeting him after I spoke so highly of him for 40 years. Rest In Peace sweet friend forever. I will miss you. ❤️🙏❤️🙏❤️🙏*

“ Barbara, Kevin, Robert, Anthony, and Darren,
The years have not erased many fond
memories from back in the late 1960's, when
we were neighbors in Farmington Hills,
Michigan.

Looking over the tributes on this page is confirmation that the world
has truly lost a great man. Clearly, Bud touched many lives and
inspired all those he came in contact with.

Hopefully the memories shared over the next few days (and I'm
sure many entertaining stories) will provide some comfort during this
difficult time.

Randy will be enjoying a fine cigar and a Martini in his honor!!

Our thoughts and prayers are with you and your families.

Randy King and sisters, Karen, Lisa and Julie.

“ Bud and I went through Wall street together since the 70s. He was
my mentor
in many respects and a well respected banker, more important he
was my friend
and we kept our friendship till now. Will miss our weekly emails
greatly.
My sincere condolences and prayers to his wonderful wife and
family.
