“ Dear Gail and family, We were so sorry to read that Tony passed away. One of my favorite memories is you and Tony walking together walking the dog. “ Tony was everybody's friend. Nothing was too much trouble nor any person or problem too trivial that he wouldn't spend time to help you through it. I first met Tony in 1986 and worked for him at Cambell Soup's Equipment Center. His integrity, kindness and great sense of humor endeared him as a boss and started a friendship that has continued these last 20 years. Family and friends meant everything to Tony, and his passing leaves an ache in many hearts. I'm so sorry for your loss, Gail; he was a wonderful man.###imported-begin###Jeanne Muzik###imported-end##
