“ Our family would not have been complete without Uncle Anthony and Uncle Mel. I have so many good memories of growing up at 1659 from parties in the "shack" to making earrings at the kitchen table. One special memory I have of Uncle Anthony was when he took me and Geraldine to see Bambi at the Sunrise Drive in. Of course we cried during the movie but it was such a fun night. You were a special man Uncle Anthony.. a true gentleman who was loved by many. Rest in Peace Uncle Anthony..
Richard, you are in my prayers.

“ *I lived with my Uncle Anthony up until I got married. He was not only my uncle, but my godfather. I always considered myself lucky because growing up I had two fathers, my biological father and my godfather. I always felt more like a daughter to him than a niece. He was always there for me whenever I needed him and vise versa. We shared a special bond that will go on forever. I'm glad we got to speak the day before you passed away and said how much we loved each other. I will miss you greatly. You will be forever in my heart. - Geraldine*

“ I lived with my Uncle Anthony for the first 21 years of my life. He was more like a Big Brother to me than an Uncle. When I was 6 years old, we both were in the hospital to have out tonsils out. At age 16, I worked the summer with him at his company. When I was 21 years old, both my Uncle Anthony and Uncle Mel gave Rose and I an engagement party. I will miss him with all my heart. I love you Uncle Anthony and always will. Michael
