“ We were shocked to hear of Tony's passing. We were remembering when he won the early registration incentive prize for the Myrtle Beach Walk and how excited Regina said he will be to receive that. We were so looking forward to meeting him in person at the Walk in a couple of weeks. Our thoughts and prayers are with Regina and his family.

“ *I will always remember Uncle Tony's for his love of having family close. I do not know a stronger man. He fought this disease for a long time. But this disease did not and should not define him, he was a wonderful husband, father, grandfather, uncle and friend. He will be so missed. May His Soul RIP..
I love you Uncle Tony and know you are in paradise.*
