

Anthony "Tony" Miliote

August 30, 1944 - November 1, 2025

Anthony Miliote, 81, of Murrells Inlet, South Carolina, passed away peacefully on November 1, 2025, surrounded by his loving family.

Born August 30, 1944, in the Bronx, New York, to Sam and Adele Miliote, Anthony grew up in Little Italy, Manhattan, where his lifelong passions first took root—baseball, photography, and the simple joy of hard work. As a boy, he collected baseball cards and comic books, and a small Kodak camera given to him by his grandparents sparked what became a lifelong love for photography.

A devoted New York Yankees fan, Anthony idolized Mickey Mantle and loved nothing more than a good game, a great photo, or a well-earned victory at the pool table. He was an exceptional amateur photographer, capturing the beauty of his travels across every U.S. state and much of Europe. His favorite destination was always Sicily, where he felt closest to his heritage.

Anthony's career on Wall Street spanned more than three decades. A self-made man who worked his way up without a college degree, he began his career in 1969 and retired as Senior Vice President of Derivatives and Options at Morgan Stanley. He worked on the 66th floor of Tower Two at the World Trade Center, where he was present during the 1993 bombing. On that day, he safely evacuated his entire office—shepherding colleagues down 120 flights of stairs. Remarkably, Anthony retired just ten days before the September 11, 2001 attacks.

He was a man of many talents. He was an avid traveler, skilled handyman

who could build or fix anything, and lover of life on the open road, whether in his Honda Gold Wing motorcycle or behind the wheel of his beloved 1970 Corvette Stingray.

Anthony retired to Murrells Inlet 24 years ago, where he and his wife built a beautiful life together filled with family, friends, and travel. He is survived by his devoted wife of 57 years, Gloria (Greco) Miliote, with whom he shared an unbreakable bond and deep love. He was also especially close to Gloria's parents, Dominic and Ida Greco.

Anthony leaves behind his four children, Anthony (Heather), Dena (Matthew Zaleski), Gregg (Britta), and Michael (Amber), and six cherished grandchildren: Anthony, Brooke, Gianna, Ryan, Marshall, and Michael. He is also survived by his brother, Roger Miliote.

He was preceded in death by his sister JoMarie.

A Funeral Service will be held at 12:00 PM, Monday, November 10, 2025 at Goldfinch Funeral Home, Beach Chapel in Murrells Inlet with a repass to follow at LaTrattoria in Murrells Inlet. The family will receive friends one hour prior to the service. .

In lieu of flowers, memorial donations may be made to the Alzheimer's Foundation of America or the Head and Neck Cancer Living Foundation.

Anthony will be remembered as a man of integrity, warmth, and resilience—a devoted husband, father, and grandfather who worked hard, loved deeply, and always lived life to the fullest.

“ My husband and I are thinking of your entire family during this difficult time. I hope knowing a new tree is growing in your father's memory will provide a small bit of comfort. The tribute I read proves he lived a beautiful and amazing life and left a legacy that will live forever.

“ Tony was one of a kind. I fell in love with his
photography. I pause and admire the one
beautiful photo that I won at a benefit.
Another friend that will be truly missed but
how wonderful to have met him.

“ We have been neighbors and friends of Tony and Gloria since we
moved into the neighborhood 22 years ago. My late wife, Carol,
recognized early on Tony's gift as a photographer. I believe this is
partially because her dad was a talented photographer in his own
right and she learned how to recognize such talent in others. I am
indebted to Tony and fellow neighbor, Jim Walker for encouraging
me to volunteer for Habitat for Humanity. I was involved in helping to
build over a dozen homes for the needy over a span of several
years. I really got to know Tony when a group of men decided to go
to lunch on Saturday's. One of the guys came up with the acronym,
ROMEEO, which stood for Retired Old Men Eating Out! Tony was a
faithful ROMEEO before the pandemic put an end to our gathering.
Rest in Peace Tony.

We would celebrate the August birthdays with Tony and Gloria, Bill and me and two other couples. He was a great friend. He had a great sense of humor. He use to e-mail me jokes. Rest In Peace Tony*
