“ *From the lion of Judah :*
Mr Anthony rea was the cousin of frank digilorimo. The man who broke my family up. A jewish family who seduced my mother and defiled her. A jewish woman. So naturally my father was angered like any man would be. But the Italians. They feel so entitled to what's theirs and what's yours as well and everybody and I mean everybody knows it. He came and he sucker punched my father imagine. Someone who fonicardf with a man's wife feels the moral authority to hit the husband rather than the other way around. But what would we expect from the people who crucified the jew Jesus Christ. Who sided with Hitler during World War Two and whose Vatican has molesed thousands of children. Mr rea is burning in hell now for the part he played in this.
My name is scott Arcuik. My address is 150 50th avenue. I am the son of Deirdre Berlin who later took her life after being heartbroken by yet another Italian son of Mitchell Arcuik of the chosen tribe of Judah and incite any Italian who wants to come here. Open invitation beinf all your peeps. You crucified Christ but this will go very differently.
Anthony rea I could hear your screams now being tormented by hell fire where the fire burns but it never consumes. It's just burn baby burn

“ *Dear Bonde and family, I just heard tonight about Tony's passing. I know that he is one of Gods special angels now. Every time I saw Tony at Ashley or around town he would always tell me how proud he was of Rosa and his other children and all that was going on in your lives. He was always so happy and I just loved to see his smiling face. Bonde, you took care of my son Clayton so many days @ CFE and you are such a wonderful woman. I am so sorry for your loss and my prayers are with your family. I wish I would have known so I could have come to the service and expressed my sympathy and respect for Tony. “ To Bonde and Kids. Tony was a great man that loved his family. I will always remember the time i spent with him at American Appliance. Not only he was a great friend he was like a brother to me. I will always remember good times we spent together, Going fishing or just hanging out with Chuck and the gang. I hope you and your family can find some peace in a time of sorrow. At times like this i find grat comfort in the prayer of St Francis Lord, make me an instrument of your peace. Where there is hatred, let me sow love. Where there is injury, pardon. Where there is doubt, faith. Where there is despair, hope. Where there is darkness, light. Where there is sadness, joy. O Divine Master, grant that I may not so much seek to be consoled, as to console; to be understood, as to understand; to be loved, as to love. For it is in giving that we receive. It is in pardoning that we are pardoned, and it is in dying that we are born to Eternal Life. Amen. God bless you and your Family, Nando D###imported-begin###Nando DiPasquale###imported-end##

“ To the Rea Family, We are so sorry to hear this sad news. How fortunate for us, one day in [1999?] we walked into AVAC and met Tony. Sometimes you meet someone and it feels like you've been friends forever. That was Tony. He then took care of us at "Ashleys" Always smiling when he saw us walk in the door saying "the Jacobucci's are in the house" We would spend at least 30 minutes talking about everything from golf to the housing market before we ever looked at furniture. It seemed the conversation always ended with him talking about his family. How very proud he was of all of you. You could see in his face how much he loved you. May your many memories bring you comfort till you meet again. In Our Prayers, Tony & Judy Jacobucci##imported-begin##Tony & Judy Jacobucci##imported-end##
