“ Rick: It really saddened me to read of your mother's death. I can certainly relate as I lost my father to cancer in December 2005. When I saw your name it reminded me of some of the best times in my life when we were all into ham radio in a big way. I'm not active much now but hopefully in 5 years when I retire I hope to revive my hobby. We had such good times then, didn't we? Please know that you and your family are in my thoughts and prayers in the coming days. May God's grace give you peace. Bill French/WV4Z##imported-begin##Bill French##imported-end##
