“ I fondly remember my days with Tony and Anita in Shelton. Tony and Fred spent their days coaching baseball and basketball. What fun times for my sons and their Dad. Anita was instrumental in having Fred apply for a job at PM. I have much to thank her for. I did get to see them in MB while I was on a golf trip with friends. We enjoyed our time together. I think of those early days in Shelton with Tony and Anita. I still have a great photo of my kids that Tracy took at a girls basketball game at SHS. Thanks Tracy.
My best to Tony, Mitch and Tracy
