“ *Ellie, You know that Ed and I won't be able to be there in person, but you know our hearts will be with you all day. I will miss him very much. You guys were always so good to us and we will never be able to repay you for all the things you and Arch did. I know he is up there pointing his finger right now, and probably at a yard sale or auction. Keep your memories in your heart and you will always have a smile because I know Arch will be there. We love you. Bonnie and Ed* *##imported-begin##Ed and Bonnie Richards##imported-end##*
