“ *What great memories I have of "Uncle Arde". He somehow always looked like he was having fun and I will never forget his wonderful laugh and clever rhymes. Thanks for the playhouse and the pool and the fall bonfires with weiner roasts. There was always something to look forward to at the Schram house. And thank you Jean for always putting up with a house full of kids. My thoughts are with you all as we remember this very special man.##imported-begin##Carole Teegarden##imported-end##*

“ Jean, Steve and Cathy, words can't express how we feel about the loss of Arde. We go back so far and remember so fondly the many , many good times and laughs that we had together. The old neighborhood and all the characters there , especially Big Jack ridding ghost and the Oppenheim crew. We remember the canasta games, and the many times that friendship was shown to us as a young couple just getting started. We will miss him very much. Our thoughts and prayers are with you at this most difficult time . With our love and sympathy , Tom and Carolyn###imported-begin###tom and carolyn melanson###imported-end##

“ I have not seen my Uncle "Pooch" or Aunt Jean, along with cousins Steve and Cathy in some time, but think of them often. You had no idea of what laughter could be unless you attended a reunion or social event with the Schramm Family. Please accept my most sincere wishes and thoughts for the entire family, including his relations back in New York. I wish best to them all.
