“ *Kenny,*

My deepest sympathy for the loss of mom. What I remember about your mom is she always put up with all the stuff we did when we were younger. She was a good person and loving person. She will be missed

“ We have been neighbors of Charlie and Arlene for many years and we shared many memories together. We grew closer as the years passed and grew to love them both. We depended on each other as neighbors and friends. We love them both and will miss them dearly.
