“ I found this through ancestry.com. This was my paternal grandfather I only met once. I'm the daughter of his son Wesley Stringfellow, from his first marriage. I moved to north eastern NC in 2015. I wish I'd had known he loved so close before he passed so I could have gotten to know him! He has three other biological great grand kids.

“ I am Happy that my adoptive father "Art" is now resting in peace. I wish I had not lost contact with him throughout the years. He was 10a8d to rest on my birthday. I just found this online.
