“ *Condolences to the Ditmar family. I remember Mr. Ditmar from his time as Director of the Brook Park recreation department in Ohio. Very nice people, and we were impressed to find out he was a former MLB pitcher. Our baseball and softball programs were top-notch.*

“ *I never got to meet you.....when I was 12 you sent me a ball with signatures of your Yankee team and I was so grateful.....my mom was Naomi Ditmar.....you two were related.....I gave the ball to a Yankee fan who was 18 and had tried to kill himself....he still has it.....so your kindness gave this young man hope.....thank you for being who you were.*
