“ *Dearest Ina.
Deepest sympathy to you and your family. I'm so very sorry to hear that Art passed away. I will always remember your visits to Melmark to see Wendy and Peter. You planned your calendar around special events at Melmark. Fondly remembering Valentines parties, spring festivals and holiday celebrations. None of them would have the same without you and Art. I loved our lunches in the Eatery and helping you plan your adventures with Peter and Wendy in the community.
Sending you much love and many hugs.
