“ So sorry for your loss.. Knew Odell most of my life.. He and my sister went together when they were teenagers so I have a lot of great memories but the one that sticks into my mind is first date my husband to be [Norman] and I had Odell showed up to and said that he had a date with me. Well you had to know my parents to know that was a no no.. Was in bedroom making sure hair lipstick was in place when my Mom came in bedroom and ask," what do you think you're doing?" And I looked at her like a deer in head lights. Wanted to say what does it look like I'm doing but knew if I have she would have slap me to China!! She finally told me what she meant and she wanted to know what I was going to do about it and I told her I was going with Norman... No I weren't either. Weren't going anywhere until I straighten things out.. Well Odell must have heard us because he told my Dad that he was passing and saw Norman parking and he thought he'd play a joke on me..Well He got a not so good lecture from my Dad that night.. He stayed and visited with my parents and Norman and I went on our date.. After Norman and I married Odell be came a great friend to my husband too.. He kept his horse Rocket at our barn for Years...

“ *Sorry to learn of Odell's demise; he was a dear friend to Marshall & me for many years! My memories as a child of the Fullwood family are many! My father, Rev. Albert J Cannon and my mother Lois, loved The Fullwood's very much! So many along with Odell are in heaven together now. Our loss is certainly heaven's gain. May God give you peace today & the days ahead that only he can provide! God Bless, Judy Cannon Singleton*
