“ I would like to offer my condolences for Mr. Illsley's passing. He was a good man and I enjoyed knowing him through the years. I noticed that he and my son, Justin had the same Oct. 19th birthdate. If I can be of help let me know.##imported-begin##Alan Sipe##imported-end##

“ Dear Lady Jean, You are in our thoughts and prayers. Bud was always such an inspiration with his way with words and wonderful sense of humor. Some people walk through your life and leave footprints... Bud left hand prints on the hearts of those who knew him. Take comfort in Gods love, He says that He is with us always, and if He brings us to it He will bring us through it. In His Love, Julia##imported-begin##Julia Todd-Edwards##imported-end##

“ Jean, we are so sorry about your loss. Alice and I have fond memories of our friendship with you and Bud since meeting you during square dance lessons. We always enjoyed your company during club dances, out of town dances and an occasional lunch out we had with you two. Bud's sense of humor made him a pleasure to be around. He also had a unique way of expressing his news and views with the written word and he never forgot our birthdays or wedding anniversaries - - - we always received greeting cards. We were intrigued with your stories of touring the United States on your motorcycle and often told other friends of the extraordinary couple we knew. Since our move to upstate SC we kept in contact via e-mail and we were looking forward to your visit last month or this month, but it didn't happen because God called him home. God Bless you and your family and may you find empathy in knowing that friends are thinking about you. Affectionately, Clay & Miss Alice as Bud always called her Brown##imported-begin##Clayton Brown##imported-end##
