“ I wish that I could be there with all of you. Buddy was like a brother to me and he and his brother and sister were the sister and brothers I never had. We had many good times together--especially when I was learning to drive on those country roads with all the kids "cheering" me on. I am so glad I was able to visit with him at the farm in the summer of 2006. Shannon, thank you for taking such good care of him.##imported-begin##Gretchen Grant##imported-end##
