“ How fortunate we all are at SLM Corporation to be a part of the Lane family for the last 45 years. We all grew in business and cherished our friendship. It's always sad when any close friend or family member leaves us, but we will always have the great memories that that were created.  
Liz, Brandon, and Adam...our thoughts and prayers are with you guys at this time, but I know that the whole Lane family has the full support of your God, Church, and the multitude of friends that are willing to be by your side when you need us.
