“ Yvette, Steve and family,

Praying God will hold you close during this difficult time. I will never forget our weekly conversations. He was a SPECIAL uncle to me. So thankful I got to hear him say, “I love you,” one more time before he passed!

I love y'all!

*With our deepest sympathy at this time. He was a special Uncle that never said a negative thing about anyone. We will miss him. May the love he had for you and Steve will lessen the pain in your hearts.
