“ Dear Karen and family,  
I am saddened deeply to hear of Art's sudden death. Having lost my husband, Carl, a year ago, I know that words cannot bring all of the solace intended. My heart hurts for you. I am very sorry. Connie Belsi ( once Dowling )

“ *Mare and family,  
So sorry to hear about Art. I am presently in Sloan Kettering so  
have been out of touch for the past few days. When I was having  
trouble after cancer was cured and the throat holes appeared ., Art  
shared the things he went through and to have faith and a positive  
attitude . They were so inspirational and when I get home and on a  
regular computer I will send them to you. For now I was blessed to  
have known Art.  
God Bless,  
Vinny Wilson.*

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”
