

## Arthur Franklin Sprinkel Sr.

January 23, 1942 - April 1, 2026

Mr. Arthur Sprinkel, Sr., passed away on Wednesday, April 1, 2026. Arthur was born in Baltimore, Maryland on January 23, 1942 to parents Whittier and Doris Sprinkel.

A lifelong resident of Baltimore, Arthur recently fulfilled a long-held dream by relocating to sunny South Carolina just two months before his passing.

Arthur was known for his deep love of cars and his lifelong dedication to restoring historic antiques. Among his many projects, his cherished 1955 Chevy Bel Air held a special place in his heart. His skills were evident throughout his career as an auto mechanic and insurance adjuster, where he spent many years doing what he loved.

Family and friends fondly remember Arthur as someone who "refused to grow up," embracing life with enthusiasm and a youthful spirit. True to form, at the age of 82, he purchased a Harley-Davidson three-wheeler, a testament to his adventurous nature and determination to live life on his own terms.

Despite facing health challenges, Arthur maintained a positive outlook on life until the very end. His optimism, humor, and love for his family and friends will be remembered by all who knew him.

Arthur is survived by his son, Arthur Sprinkel, Jr. (JoLynn Lucas); siblings, Doris McCray, Delbert Sprinkel (Judy), Larry Sprinkel; nieces and nephews, Lechia Frederick (Clayton), Bill Day (Cathy), both of which shared a special bond with Arthur of their shared love of motorcycles and antique cars, as well as Delbert Sprinkel, Jr. and Patty Linaberg; granddaughters, Jodi Kellam (Michael), Ashley Wu; and four great-grandchildren.

A memorial will be held on April 26, 2026 at 6pm at Friendship Baptist Church, 608 6th Ave. S., Myrtle Beach, SC 29577. Light refreshments will follow.

“ He was one of my favorite people. He was such a great person. I cannot recall once in my life seeing him angry about anything. He was very talented in anything that he chose to do. I have so many great memories of him”Uncle Art” from all of my life. I do know that he endured too much pain his last few years and knowing that he is no longer in pain gives me peace. RIP UNCLE ART. I love you and will miss you and laughing with you until we meet again.

“*Art was my big brother a such a wonderful person. I can't think of anyone that didn't like him. I am so thankful for the short time we had together when he moved here and stayed with me. He will be missed by so many but he is in the arms of Jesus, and not in pain any more. He suffered so much with his neck and back. I will always love him. Doris*
