“ Coach Breit was my soccer coach in eighth and ninth grade at New York Ave. junior high school. he was the best soccer coach I ever had. We finished 8-0 and 3 undefeated when I was in eighth grade. My only undefeated team I was ever on. I played soccer right through high school onto college and on several club teams. Coach Breit was the best coach I ever had. RIP

“ Coach Breit demanded focus, sportsmanship and fierce competitiveness. He got the absolute maximum out of athletes by not treating everyone with a one size fits all solution, but pushing students in ways allowing them to rise to the occasion with both harsh criticism and praise. He called me “The Cat”...he taught me to charge and attack at 3rd base; to not anticipate, but know exactly where the ball was going with the crack of the bat. He taught me to stand in the batter’s box expecting to get a hit, expecting to get on base. He “is” a great teacher and lives on within students. -Anthony G (1993-1997; President)

“ I was coached by Tom Breit at Smithtown HS in the mid-70's. We had some success on the field, and he nurtured my love of soccer which continues today. I recall an intense competitor with a sense of humor and a wry smile. I wish his family well.##imported-begin##SS##imported-end##
