“ Ellen, Elaine & Eddie: I so wish Margie, Charles and I could be w/ you at this time. You know how much we loved her and all of you. Some of the happiest times of my life were spent w/ ya'll at 1205 Ingram Av. in B'ham! Mother had passed away and some how staying around all of you helped me through that time. Can you believe that all of us-Uncle George and Aunt Adelle rode back to B'ham in that VW?? It was such fun then. All of you are truly blessed to have had her all these years. She was and is now tuly an Angel.. My love to all of you... Charlotte##imported-begin##Charlotte C. Neupauer##imported-end##

“ Dear Ellen, Elaine, Edward and families: I first met Lee at St. James in Hwy. 501, but I really got to know and love her when she returned from Florida. She became involved in several ministries at St. James, including tutoring English to one of the ESOL students. I used to tease her about all her Sunday work at the church. She was such a loving, generous person and most patient throughout her illness. She inspired me. I will continue to remember her and her special gifts to our community. Sincerely, Wilma##imported-begin##Wilma C. Lucas##imported-end##
