“ Ever since I heard the news of Autumn’s passing yesterday, I continue to be flooded with memories of this precious friend. The first time I saw her was at church with Chandler and Darren. Later came Britton to complete the family. I remember the Mother’s Day she was recognized as the youngest mother in the congregation. I remember birthday parties at your house with swimming and fun for all. Autumn was our hair stylist for years. The last time I saw her, it was at the beauty shop and Chandler came in for a hair cut. Miller Mott seemed to keep her awfully busy, so we decided to change to someone else. There are many more memories, and it seems terribly hard to believe that she is now gone. Though she had many struggles, she always had a smile and that sweet caring nature. One of these days, God will call me home too, and I will look for Autumn. I pray God will bless you all with His comfort because He is the God of all comfort. I love you all!

“ I am just heartbroken. I always knew you would be here with me for our crazy shenanigans. We always had each other's backs even when we were mad at each other lol. I am so glad I spent those hours with you the other Monday. I never knew that would be the last time I would hug you and tell you I love you! My heart breaks for Chandler and Britton. You will forever be in my heart!
