“ *Bobbie and Jen, When such a tragedy happens, there are no words that I can find to help comfort you or help make sense of it all. Just know that you are surrounded by family who loves you. While Ayden's time with us was all to brief, he brought joy to and everyone who held him and shared in his life. Thank you for allowing us to be a part of his life. We love you all and will be with you to do anything we can to help you both through this sad time. We will smile again. Love, Holly & Mike Sr.*##imported-begin##Holly##imported-end##
