“ Sweet Kim, I am so sorry for the loss of your Dad. He was bigger than life. I was so in awe of him. He would stand up to anyone (even though sometimes I didn't agree) lol. He had such a great personality. I always enjoyed being around him. I know what a huge loss this is for you but let his memories carry you through. You were the light of his life. Love you. “ I will always remember Richard's visits to my Dad in Columbia and how much fun they had together. They called each other Oscar and Felix. They had a great time together having dinner and watching old movies and shows on tv. Richard stopped by often when coming to town and spent time with Dad. RIP Richard, you will be missed by many. Prayers for Kim, family and friends.
