“ Robin and Mark, You're both in our thoughts and prayers during this time. Barbara was a very special part of my life. We certainly enjoyed each other's company the last two years--searching for shells, sharing plants, eating out and sharing stories about our lives and especially our kids. She loved you two so much and was so concerned about having to leave you in the end. You were truly blessed to have a wonderful mom and I was truly blessed to have her as my friend. If there's anything Ted, Dennis or I can do for you, please call on us. Love to you both.###imported-begin###Becky Glosson###imported-end##

“*Robin, I'm so glad that you called so that Pat and I could come and say goodbye in person. Your mom was a very special person in my life and though we hadn't seen each other a lot these last years, she is one of the people in my life that I'll never forget. Her beautiful spirit has now gone to spirit and she'll be with us always. I know you were a blessing in her life always and most especially at the end, helping her through the very worst; you can be very proud and know that you did a great job. We won't be able to make the service, but know that you are in my prayers.##imported-begin##Shelvie Ramsey##imported-end##*
