“*Barb and I were friends from kindergarten on. I remember spending time at the farm. Her parents were wonderful- I saw color TV for the first time at their house! Then she went off to college and I headed to Nursing school and. got married the day after graduation. Barb was one of my bride maids. Sadly as I moved from place to place including England as my husband's career advanced we lost touch. My nephew is a friend of Betsys' so he kept me in the loop. Dave, as a retired hospice nurse I am so glad you took her home for her last days. I can picture you two walking in the halls in HS. My sympathy also go out to her sister Joan. RIP.*

“ *Barbara and I were Facebook buddies. I can remember her emailing me or texting asking me questions about how to setup her new Facebook profile. I tried a few different times to get her to put her picture on her page but she said she wasn't quite ready for that. I also helped her get onto the Neighbors of Southwood Facebook page.*

She was so excited to be able to hear what's going on in the neighborhood once she became a member.

When she and David went away she would always send me an email advising me about the dates they'd be gone and what things she'd like checked. I'm going to miss those little notes she would send.

Our friend Barbara may you Rest In Peace and suffer no more. I'll cherish our memories we shared here in our small world in Southwood! 💔🙏❤️

“ *I played cards with Barbara and also did water aerobics with her. We have been neighbors for over 20 years! I loved her sense of humor. She could make us laugh at the pool. She will certainly be missed in Southwood. My condolences go out to Dave and his family as they adjust to life without her.*
