“ *Barbara and I worked together at Dr Tomlinson,s office in the late 90,s and early 2000's We remained good friends and kept in touch over the years. She was a gem. I will miss her as I know you all will. I consider it an honor and a priviledge to have called her my friend.*

“ *So sorry to hear of Barbaras passing. My husband was stationed at the hospital while she volunteered there. She had the brightest smile and warm heart..She was always ready to help in anyway she could. She was a special lady and I enjoyed sharing time with her at mass during the week  
.May you have peace in your hearts knowing she is now with her loved ones.
