“ *Met Barbara many years ago while working at General Foods, then Kraft in Rye Brook, NY. Barbara was one of the first women to work in Transportation, an area that was highly dominated by men at that time. Barbara was so knowledgeable, diligent and always worked with pride. Barbara enjoyed the different beautiful flowers that over the years she had planted in her yard at her house in Port Chester, NY. I remember that she was in the choir at church in Port Chester and as an adult learned to play the piano very well. Also Barbara was so proud of her polish heritage and loved her family dearly. -- May she rest in peace in the glory of our Lord!*
