“ I have memories too! I used to go spend the weekend with Lori and I remember how nice and funny Barb always was. I had so much fun with them, on weekends and family trips. My Mom, Jean Dunn remembers she and my Dad, Bob's uncle, going to their wedding. Our condolences to the family and RIP.

“ My dearest memory of Barb is when I used to go to Bob and Barb's house to spend the night with them and Barb would show me how to sew. She inspired me to keep on learning to sew and because of her I am an accomplished seamstress today! Thank you dear Barb. My deepest sympathy to my cousin Bob and his family. Love you guys.
