“ We were so sorry to hear of Barbara's passing. She will be remembered fondly by both of us. Barbara was always the life of the party. You could not be in a bad mood if she was in the room. She was like a second mother to me as we were growing up--and often harder on me than mom! And I loved her for it! Lots of great memories with your family. I especially remember the champagne bottle cork incident off the back deck into the river! Love, Cindy and Bill Wood

“ *Marianne,
Jeff and I would like to let you know how deeply sorry we are for the loss of your mom.
There are no words one can say at this time, I know, but please hold onto all of those wonderful memories you have of your mom. You will always have her with you, for you have become a wonderful person from all of gifts she has shared with you. You are fortunate, although not easy, to have had these last few years with her. I know this is like a bad movie right now, some days it will feel more real than others, but you will get through it with the Grace of God. May He give peace to you and your family and guide you through this journey. Family was so important to your mother. From when I first began working for your Dad back in 1986, til the last time I saw them both, they always welcomed me into your family and treated me with love and warmth. God has made a special place for her. Now it is her turn to rest. May God Bless you all. My deepest regards to your whole family. -Dolores*
