“ Jeff,

So sorry to learn of Barbara's death. She truly had a special place in our hearts. Barbara was always so welcoming when we were members of Kingston. Also, her energy and enthusiasm in organizing the Conway Area Master Gardener's Association never ended. You and your family are in our prayers and may God be with you during this difficult time.

“ I'm so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as God's word the bible. Why do people we love die? Romans 5:12 says: "That is why, just as through one man (Adam) sin entered into the world and death through sin, and thus death spread to all men because they had all sinned." How loving of God to promise what is found at Revelation 21:4 which says, "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ *Jeff, I was sorry to learn about Barbara. I very much enjoyed seeing and talking with her at our 50th reunion. Seeing the same exuberance I remembered from the "ole days," gave me quite a lift. It must have been the same for you these many years. May the wonderful memories you've stored up during a lifetime together help you through the days ahead. God bless.*

“ Jeff I am so sorry to hear about Barbara. I can remember the good old days at Winyah. I know the Lord will see you through this. I too lost my first wife to cancer at an early age. My only advice to you is to look forward to seeing her again soon and try to remember she is in a better place now.

“ My deepest condolences to Jeff, Terri and all the family. Barbara was a kind and welcoming spirit to me and my wife during some difficult times of our own. I always looked forward to seeing her and Jeff while I attended church at KPC. She made an extra effort to make me feel welcomed and loved in Gods glory. Heaven certainly has a new angel.

“ Time could never separate the friendship that Billy and I shared with Barbara and Jeff. All our talking about Winyah High School and continuous laughter about football, selling cars and trucks - Oh so many memories. Barbara was full of laughter and we grew up together at Bayview. She is one of the only one of us that called me "Bogey". All of you remember "The will of God will never take you where the grace of God will not protect you".

“ Terri & family,

I am so sorry to hear the news. Your mom was the best. She always made me feel welcome at your home . The best memory of her .. she would always hang your brothers art work in the back hallway. It was covered with all his work he had done at school , ect. I just always thought that was so loving of her. A lot of moms just throw that stuff away.. not your mom. She hung it proudly!!!! Love you guys!!!!!!

“ *My deepest sympathy goes to the Davis family. Barbara was busy in the lives of others and no doubt this made her very happy. This reminds us of the words of Jesus in Acts 20:35 "There is more happiness in giving than in receiving". Barbara knew the secret. Take comfort in each other.*
