“ Barbara Ann, you were way more than just a cousin to me. As a young teen, I spent a lot of time with you and Ernie. You guys would take me places with you and made me feel real special. You were the special one! You are one of the sweetest people that ever walked this earth and your heart beat pure gold. I love you and will always remember you as my special cousin , my mentor, and my friend. Fly high because if anyone ever earned their wings, it was you! I will always love you. Ernie, I will be praying for you and I love you!
