“ I would like to express my sympathy to the family. I hope you are finding comfort in the time you spent with your dear loved one. Please find comfort in the hope expressed in the Bible at Revelation 21:3,4 where it tells us that mourning, pain, and death will be things of the past. I hope you find comfort in this hope. Feel free to email me to comment or if you have questions. Again, please accept my condolences.##imported-begin##Margaret##imported-end##

“ My mother Rita, father Willie, and I would like to send the family our deepest and heartfelt sympathy. I went to school with Ms. Barbara's daughter Amanda and became very close our senior year of high school. Though distance and time have seperated us all, I can never forget how wonderful and sweet Ms. Barbara has always been to me and my family. She will never be forgotten, and her legacy will live on through her wonderful children and grandchildren. God Bless! With Love, Melissa Pinckney###imported-begin##Melissa Pinckney###imported-end##
