“ My fondest memories of Uncle Frank take me back to my childhood days when he would visit us after many months away at sea. He always seemed larger than life to me and when he was in town, we dropped everything and it was like a special holiday when the family would get together. I remember feeling so proud that he served our country with such devotion. I also especially treasure the fishing trip that we had with him in recent years. Uncle Frank had surgery on his sholder prior to the trip...but that didn't stop him from coming. In paying my respects to Uncle Frank this past weekend I have found a new place in my heart for his family and friends. I have never been part of a more respectful service. Uncle Frank once told me that he loved his family so much that he wanted to "buy a big house where they all could live together." I believe that house exists and he is there today. As it is in heaven, he built that house on earth as I witnessed this passed weekend. I felt the closeness of his family as many put it to me, "under the circumstances" I felt good to be in South Carolina. I take great comfort in knowing my Uncle Frank was so well loved and cherished by his family and that I feel closer to them now, than I ever have before. It is hard to explain feelings, but we really don't have to...do we? We just deal with them. We all must carry on, in our own way, in our own time. On behalf of myself and my family, my deepest sympathies to all who were friends and family to my Uncle Frank. He will be greatly missed. Please do not hesitate to e-mail me anytime, I will be there for you in anyway that I can. Take Care, Bob Dewan Jr.##imported-begin##Robert H Dewan Jr.##imported-end##
