“ I did not know Barbara personally, but I wish to send my condolences to her friends and family. It is never easy to lose a loved one. In my times of loss, I have always appreciated God's promises for the future when there will be no more death or pain. Revelation 21:4 says: "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away." I hope this scripture brings you comfort. My heart goes out to you during this difficult time.
