“ We've always admired the closeness of your family. Often, we have heard the laughter coming from the back porch as your parents came for a visit. Wishing you happy memories and many more family times.##imported-begin##Brant and Judy Barrett##imported-end##

“ Dear Jim & family, We will always remember Irene as the first Spring Forester to talk to us when we moved here in 1988. She was on one of her "jaunts around the block" when she saw us on the side deck of our house and invited us to a function at the clubhouse that night. That is a sweet memory that will stay with us forever. Please accept our heartfelt condolences. Betty & Peter##imported-begin##Betty & Peter Leonard##imported-end##
