“ I was so sad to learn of Lynn's passing. I always enjoyed having a fellow "Bearcat" in Charleston and especially appreciative of her kitchen at the Sanford Arms where I was able to heat a pizza whenever The Citadel allowed me a rare night away.

My deepest condolences to the family over your loss

She was one of God's true blessings.

“ Lynn will be missed no doubt. Not just by family but by those she helped. Lynn was extremely helpful during my cancer treatment, overseeing my medical procedures and daily living/ activities. It was more than her job, it was truly caring about my well-being. I'm sure she had many patients that felt the same way. Leann, know that my thoughts and prayers are with you and the family.

“ *What a shock to hear that Lynn had passed away so suddenly. We shared a lot of good times as well as went through some hard times together. Lynn was always so positive and keep the faith. Always an encouragement to all of us. We shared Taylor, Parker, and Hannah, our grandkids together. Always at their ball games, dance, choir concerts, we would sit beside each other and beam with pride at their accomplishments. I respected Lynn and her dedication to travel to be at all these events. We shared our faith with each other. I considered her more than my Daughter in love's mother. I considered her my friend. Every Christmas she was with us as the grandkids opened their gifts. We will NEVER forget you, Lynn. You were Grammy to the grandkids, Mom to Dana, but friend to me and Tony. We love you!*

“ *What a beautiful, funny and courageous lady. Lynn loved her family very much and I know she will leave a void for all of you. How blessed I felt to have known her. May you all be enveloped in love and grace as you face the days and months ahead. I know she will be watching out for all of you from her new heavenly home. Love to everyone - The McGuirt's (Tony, Lynne, Olivia and Eleanor)*

“ *Cousin
To
Cousin*

*We're from the same shoot,
The same family tree; into this world
We sprouted, call it destiny.*

*It's cousin to cousin, a special thing,
A closeness to which we're tied;
And you've always been there to laugh
With me...Or even when I've cried.*

*Anyway, I think it's fantastic that you
Were meant to be a part of my life, dear Lynn,
you'll always be special to me!*

“ To The Family of Lynn,

*Those we love remain with us
For love itself lives on,
And cherished memories never fade
Because a loved one's gone.
Those we love can never be
More than a thought apart,
Far as long as there is memory,
They'll live on in the heart.*

*Our deepest sympathy and prayers.
