“ Stephanie,
I was so saddened to hear of your mother's passing. She and I were in the same training class for BCBS before they opened their doors. We were in the same 2 pods for several years. I just realized that I had not seen her in a while and I knew she had been offsite for a time. After inquiring I heard she had retired. I had no idea she had passed.
She had such a wonderful spirit and she truly loved her family.

“ Barbara was a true wonder. She trained me when I came to BCBS in 1994. I always told her she was my second mother. She would give me great advice about anything! We enjoyed some nice dinners together sharing lots of laughs. She will be greatly missed.

“ I am so saddend to hear about the passing of our long time friend, Barbara. I worked with Barbara for many years and she was a cornerstone in our organization back when we first moved to Surfside Beach in the mid 90's. Barbara was a champion for "doing the right thing" and doing it well. She always greeted me with a smile and often a hug. She was a special lady and she will be sadly missed. My condolences to Barbara's family. *Mark MacDougal, Blue Cross Blue Shield.*
