“ To you Mom,
I'm glad we got to spend the last two years
telling one another "I Love You", trying to make up for the past. Now
that you're Home, you finally know that you did the right thing for
me. Remember that you gave me a gift greater than that, you gave
me the gift of life.
I'm proud of you, I Miss you and of course will always love you!
Please watch over the Girls & I.....

Love Always, Your Son
Frank

“ We send our condolences to Frank Black and his daughters. Our
memory of Barbara was to the point all the way no mincing words. I
am happy she shared the love of her son to us and a
acknowledged her granddaughters and how beautiful they were. We
were honored to be with her to the end and let her know she too
was loved
