“ Dear friends, we regret to hear of your loss. Bobbie was an amazing woman. My family and I loved her so much. She was a wonderful Godmother to our children. Although, we haven't seen you in many years and we were surprised to hear she had been ill, we all think about you all (the family) and talk of the amazing times we had together. I always say the reason my girls turned out so well was the wonderful children that were such a big part of their life when they were little - Brady & Brooke. Brooke carried them around like they were her own. Bobbie was my best friend and I loved her with all of my heart!!! I wish we could be there for you all today and tomorrow, but we did not hear until this afternoon. Flights are difficult to catch from Houston into Myrtle Beach on a short notice. It is true, our loss is heavens gain.

Blessings to all. Mike, Cathy, Elizabeth Corey and Mary Catherine and Preston Finney.

“ I haven't seen Bobbie in oh so many years, but remembering her brings such a smile. Remembering a vivacious, loving, faithful gal, and her hair would always do the PERFECT "flip". We fellowshipped together at Highlawn Baptist, and I remember when she and Barry started dating. Obviously it was a match made in heaven, and my heart goes out to Barry and family. You have a special Angel watching over you now.

“ *My love and prayers are with the family. Bobbie wrote the sweetest, most heartfelt prayer for my dear Jack. I received it the day Jack died so he never got to read it. But many others got to read it as I was able to put it in the programs that were given out at his home going celebration. Bobbie was a beautiful lady both inside and out. She radiated the love of Christ and will be missed by many.*
