“ Dear Al, Heather and Don,  
Terry and I are absolutely devastated on hearing the news of Barbara's passing. For over 35 years we have shared in her life, becoming dear friends and feeling like family. It is hard for us to understand why this happened but please know that our love, support, and condolences are with you all. She will always be in our thoughts and our prayers and we will look back on all the good times we had together. She was a wonderful woman, who deeply cared about her family. She rallied through a lot of hardship and she was a good and lasting friend. Sending love to you all with tears in our eyes.
