

Barbara Ellen Wal

April 22, 1947 - October 11, 2024

Barbara Ellen Wal, age 77, of Pawleys Island passed away peacefully October 11, 2024 at her home amongst her loved ones.

She was born April 22, 1947 in Bridgeport, CT to the late John & Helen Nagy Puchala. Barbara was a Godly Christian woman and her faith was very important to her and could often be found reading the scriptures and praying daily, considering herself a Prayer Warrior. She was a loving wife and mother and loved spending time with and taking care of her family. Always excited for a new adventure, an avid traveler, Barbara really enjoyed the cruise life with her son Louis. Some of her other passions and hobbies include dining out and enjoying good food, cooking, writing poetry, reading, watching her football teams, all different types of music, and enjoying the peace and serenity of the beach. Barbara was especially fond of animals, most importantly her dog, Monet and her cat, Boo.

Another passion of Barbara was practicing and advocating for sober living. Her own sobriety started 47 years ago and ever since has been helping people, including family members, get sober through the Alcoholics Anonymous program.

She is survived by her husband, Thomas Wal; sons, Jonathan Autuori and Louis Autuori, and a special sister, Cindy Hozan.

“ I wanted to share a few memories of my second cousin "Auntie Barbara". She was always a part of my childhood. Things were always more exciting whenever she visited us, or we visited her and Lou and John in Fairfield (and then in SC). Her positive, cheerful memory will always be vivid in my memories. She loved the heck out of her family. When I was about 7 or 8 years old I remember my mom Cindy handing me the phone in the kitchen because Barbara wanted to talk to me. She told me these words, and had me repeat them: "You are smart. You are handsome. You are creative, and your family loves you". She boosted my self esteem. And no doubt was she stylish and artistic... I saved the letters that she sent me over the years (written in gorgeous penmanship... plus glitter accents!). When she moved she always welcomed me and my brother, Chris, to stay with them in SC. She even welcomed my mom to stay with her for 9 months while she planned her move down south. I found this photo on my phone. I took a photo of it years ago because it made me smile. I actually looked at it a few weeks ago. Rest in peace special woman, cousin Steve Hozan
