“ Barbara was my friend and sister! I love her so much, just as with her family, she was my rock also. For nearly 20 years Barbara, Linda and I were a threesome at work. We had lunch together, worshiped, laughed, kept up with each other's families, and took naps! We also picked up Carol and went on day trips shopping. We had plans to do it again but so far life kinda didn't let it work out. Although we didn't visit much lately, I knew she was there as my backup. Now I am lost without her.

But I know she is where she wants to be, she lived for this and tried her best to get anyone she met ready for this our last day on earth. She is home at last.

I already have a date set up with her when I get there - she promised to ride horses with me in heaven - and I can't hardly wait! I love you Sister Barbara.

“ My prayers for God to comfort you during this time. Barbara was a very special friend whom I dearly loved. My heart is broken but I know she is forever in the presence of her Lord and Savior. Words cannot express how much she means to me and my family. She touched so many lives and will be greatly missed. I am blessed to have been her friend.
