“ *Barbara and I went through school together until high school graduation in 1964. We would get to share our lives at reunions. She was always a caring person. Accept my deepest sympathy at this time. God does give you strength!*

“ *Barbara fought such a battle, but didn't want sympathy, she just wanted to know that people cared about her. I am going to miss her so very much and my heart goes out to my brother Stan and the rest of her family she loved so much. Barbara, looking forward to seeing you in that wonderful place called Heaven. Love you, your sister and friend. Trish*

God has a new angel in Heaven. Barbara was always so positive, caring always for others, seeking to share her joy for life with all. I pray that Stan and her family are lifted up in God's arms and carried as they travel through this rough period of mourning, knowing that Barbara is forever healed and happy.

*God bless!

“ I am so sorry to learn of this. I knew Barbara all through school & we were in the same graduating class of '64. She was always friendly & fun to be around. God Bless you in your time of sorrow and bring you strength & comfort.

“ Barbara was one of my best friends from grammar school until we graduated from high school in 1964. She and I were two out of the 4 people in our class who had December birthdays and because of that we thought we were very special and got a big kick out of being older than everybody else. When we were growing up, sometimes my Mom would take me to the campground and we would play in the woods and have a picnic. Her mother made the most wonderful banana sandwiches I ever ate. I don't know why - my mother made them the same way but Barbara's always tasted better. After graduation and after college, we lost touch with each other. I remember talking with her during a couple of our reunions - I think it was our 10th and 20th - it was great seeing her again even though it was a short visit. She was such a beautiful person and I was very fortunate to have her as my friend. I will miss her too!
Please accept my deepest sympathy for the entire family. May God give you peace during this time.
