“ My name is G.T. Moody, from Stillwater, Oklahoma. I recently lost my Father-In-Law. While going through his belongings, I found a foul ball he had caught that Mr. Crisely hit on Memorial Day, 1960 in the 9th inning of the second game of a double header with the K.C. Athletics. This was when he played for the Detroit Tigers. The ball belongs to your family much more than mine. If you would have it, I would love to give it to you. I wish I would have contacted you before he passed. Feel free to contact me at [gt@lifechurch.tv](mailto:gt@lifechurch.tv) to let me know where to send it. My family is praying for you in your loss.

“ I am so sorry for your loss. May the outpouring of sympathy, the kind acts of friends and strangers, as well as your memories give you comfort to help you endure the days ahead. The Bible also offers comfort. “For God is near to those broken at heart. “ Ps 34:17,18. Our Creator promises that there will soon be a time when “death will be no more.” Revelation 21:4

“ Mr. Neil was a very special person to us all and we will miss him dearly! We always enjoyed seeing him and Miss Willie and listening to his funny stories. We will miss his smiling face. Susan is really going to miss him trying to steal a kiss on the cheek from her every time he came. Thoughts and prayers to all of the family for the loss of such a special person.

“ Neal was a great friend and golfing companion from the early 90's. He was respected and loved by all that had the good fortune to know him. On the golf course, or at the gin rummy table, Neil was a fierce competitor with a winning smile and a sense of humor that made everyone enjoy their time with him. He was one of the few golfers who might nudge the ball in the rough, win the round, and remain "a really good friend". I will miss Neal, his storytelling and his humor. My thoughts to the family that made Neil so proud. John Bost
