“ Our family is saddened to hear of Barry's passing. We met him when he worked for Ocean Front Bar & Grill in Myrtle Beach. He was warm, funny and a good friend to all who had the privilege of knowing him. We always looked forward to seeing him when we visited Myrtle Beach.

Peaceful Journey Barry.

“ *Barry and i went to high school together. He was even my senior homecoming date. He was truly one of the nicest, funniest guys i have ever known. We reconnected briefly in our 20s and although it's been some time since we talked, he still held a special place in my heart.*

Hearing of his passing has truly gutted me, I pulled out my photo albums from high school and he was in so many of my pics as he was a huge part of my life then.

Barry will be missed by so many. That smile left a mark on so many hearts, including mine. RIP my friend..
