“ I LOVE YOU DADDY!! We miss u so much!!! Sitting at your kitchen table won't be the same without you. I suppose we're going to need to teach mom how to make dinner now. We are all having a hard time understanding why someone so wonderful could be taken away so soon. I am so sorry for being a pain the butt to you for so many years. But know I will always love you and thank you for the wonderful 34 years I was blessed to spend with you. I will be strong for mom, Krista and especially Linds. But I know you will be with us. I can't wait to see u again! I MISS U!!!
